TALKING ABOUT KAMI-CON

my first con was a local con in its first year called kamicon! my friend and i were amazed at how many people like us existed!

my first cosplay was also at that con but two years later. i actually found out about cosplay in 2009 thru a death note amv lmaooo

Meeting and accompanying @ElsieLovelock at Kamicon for the first time IRL after knowing her for over a decade was one of the most incredible highlights of my life. It was such a wholesome experience to witness one of her biggest goals to guest at a con unfold before my very eyes.

nearly cried at this weekend's #kamicon when i won my category in the cosplay contest for mollymauk... a 7 month passion project for my favorite character ever. these pictures don't fully capture the detail of the coat, but man i hope i made @executivegoth proud. #criticalrole

Watching Kazha play at KamiCon (@KazhaOfficial @KamiCon) last January 2020, was the highlight of our year! Looking forward to seeing you play soon! Happy New Year 🎉

HeartlessMar @Heartless_Mar_ · Feb 3, 2020

Had tons of fun @KamiCon there was so much to see and a great weekend with friends. Now to survive work during "con blues" and "con exhaustion" 😊

It was awesome cosplaying as #aladdin as well as #pete at @KamiCon last weekend! Also got to meet Goofy's neighbors from #gooftroop, @Jimcummingsacme and @yakkopinky. Be sure to tag me if you got photos of me in either of these cosplays. #kamicon #kamicon2020
